SUMMARY

Highly motivated and skilled software engineer with a certificate in the MERN Stack Web Development currently working for JPMorgan Chase & Co. There, I apply my skills in developing and maintaining applications that are in charge of managing the security and permissions of firewall access. Seeking a challenging role to leverage my technical expertise in microservices architecture, application container deployment, data structures and algorithms to support infrastructure and enhance test labs.

EDUCATION

Westerns Governors University   Aug 2023 - Present
Bachelor of Science in Computer Science

The University of Texas at Austin   Nov 2020 - June 2021
Certificate in MERN Stack Web Development (GPA 4.0)
- A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Node Js, MySQL, MongoDB, Express, Handlebars.js & ReactJS

PROFESSIONAL EXPERIENCE

Software Engineer   Oct 2021 - Present
JPMorgan Chase & Co.; Plano, TX
- Steered a cross-functional team through 8 successful production releases, resulting in a 25% drop in post-release defects and achieving a perfect 100% client satisfaction rating.
- Employed Java Spring Boot and Golang to develop command-line applications, streamlining security processes through automation.
- Managed Kubernetes-based applications within GKP's internal cloud platforms, overseeing the operation of Java microservices.
- Revitalized our application architecture, ensuring clean and efficient code with comprehensive test coverage using JMeter.
- Demonstrated proficiency in AGILE methodologies, ensuring timely delivery of stories to facilitate seamless production deployments.
  Skills Used: Kubernetes, Spring Boot, Golang, JMeter, OPA Rego

Front End Developer   May 2019 - Oct 2021
LuckyCat; Austin, TX
- Developed the landing page to market the brand and to showcase the steps in purchasing cryptocurrency.
- Designed the UX for a decentralized social network platform so that users can trade tokens.
  Skills Used: React.js, Javascript, Bootstrap

LEADERSHIP & COMMUNITY INVOLVEMENT

Youth Group Leader   Sep 2016 - Present
Vietnamese Euchartistic Youth Group Society (TNTT); Austin, TX
- Coordinated activities for adolescent church retreats and educated the youth about Vietnamese traditions.
- Facilitated community service opportunities for the youth that encouraged spiritual and personal growth.
